From Principal's Desk

Dear Students,

It gives me immense pleasure that the school is publishing its quarterly newsletter. The newsletter portrays the potential and innovative imagination of young students of Kendriya Vidyalaya , Air Force Station, Chandinagar.

The world today is at a standstill wherein pandemic has changed the entire social setup but Kendriya Vidyalaya Sangathan , being a pioneer institution in the field of education has taken the lead to spread a ray of hope to every nook and corner of a student's uncertain life even in the time of global crisis due to coronavirus.

We at Kendriya Vidyalaya Chandinagar work at implementing a well balanced curriculum to ensure that the children who walk into the ambience of our school will not just love their school years after for value teaching even during the phase of online teaching, but truly be prepared to face life's challenges. "TO MOTIVATE THE WEAK, TO ADDRESS THE AVERAGE AND TO GIVE NEW CHALLENGES TO THE GIFTED" is the teaching vision of our school.

Aristotle once said that, "Educating the mind without educating the heart is no education at all." Even as we impart education to match the advancement in technology and globalization, we march our children ahead with ethos of moral values and principles besides teaching them CCT Skills. We endeavour constantly to instill these qualities in our children. We strive continuously to help them grow and develop into sensitive and responsible citizens of the next generation.

A committed and supportive management, dedicated teachers, caring and co-operative parents blend harmoniously to create a child-centric school. Teamwork is the hallmark of KVS. I am very sure through collaborative effort we can achieve more to benefit our students who are the future leaders of tomorrow.

With sincere and warm regards.

B. GAYATHRI
Principal

From Editor's Desk

The students of Kendriya Vidyalaya ,AFS Chandinagar, have put across some amazing pieces of their creative ideas thus displaying their reflecting skills to the best. No doubt, the works included in this quarterly edition are extremely special for they are manifested by the students who are future planners of India. The newsletter, will definitely provide an opportunity to the avid readers and thus encouraging them to peep into a child's thought process and axiomatic creative thinking. It is actually an exhilarating experience to see these enthusiastic young, painters, thinkers and scientists expressing their talent through this media while staying at home.

The publication of the newsletter on digital platform has been possible due to able guidance of Principal Mrs. B Gayathri , very sincere and devoted teachers and young and dynamic students of school.

I acknowledge constant hard work of all the students whose contribution made this E-newsletter rich with their real life experience in such a time when we all are badly hit by the crisis of the pandemic due to Covid-19. I am also thankful to all the teachers who proved to be catalysts in motivating the students to perform in various activities and paint the ideas so beautifully and lively.

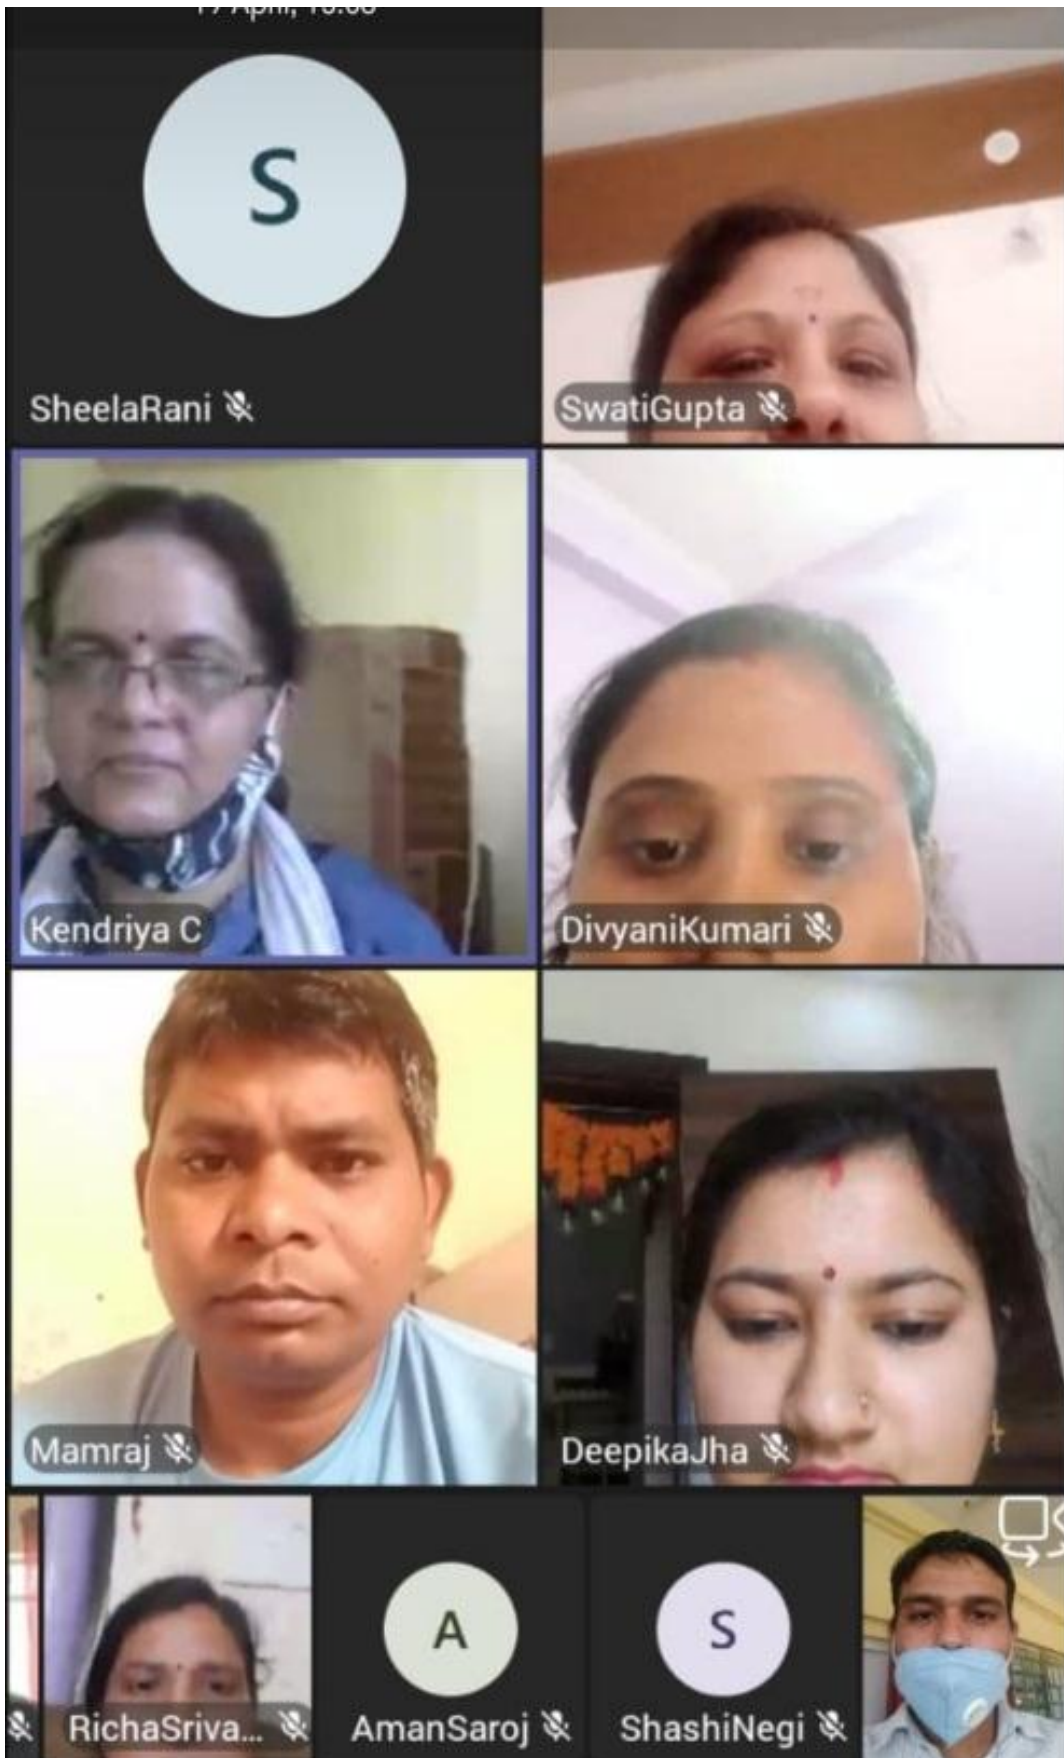

Mrs. Sheela Rani

PGT(Eng)

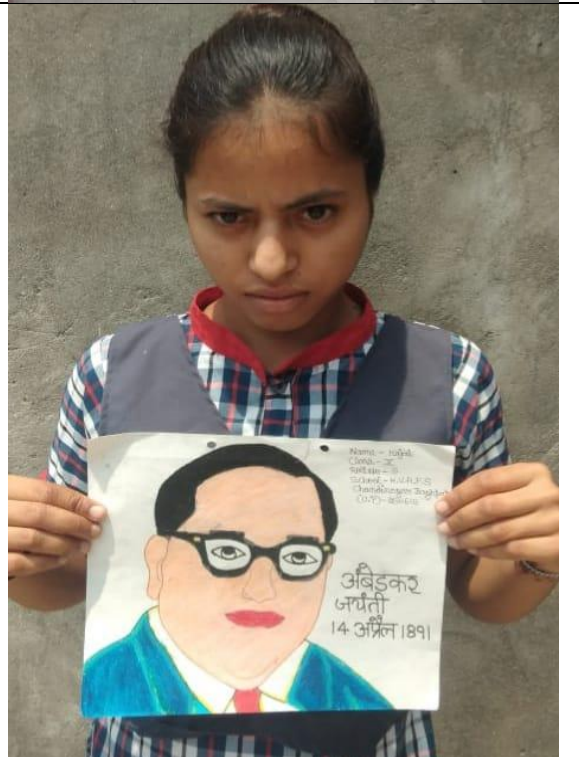

List of activities conducted.

- Meeting of all the staff members (on MS TEAM app) to discuss about the schedule and tools to be used for online classes.
- Preparation of e-content (Videos, PPTs, Worksheets, Quizzes) by all the staff members.

Ex 2.2

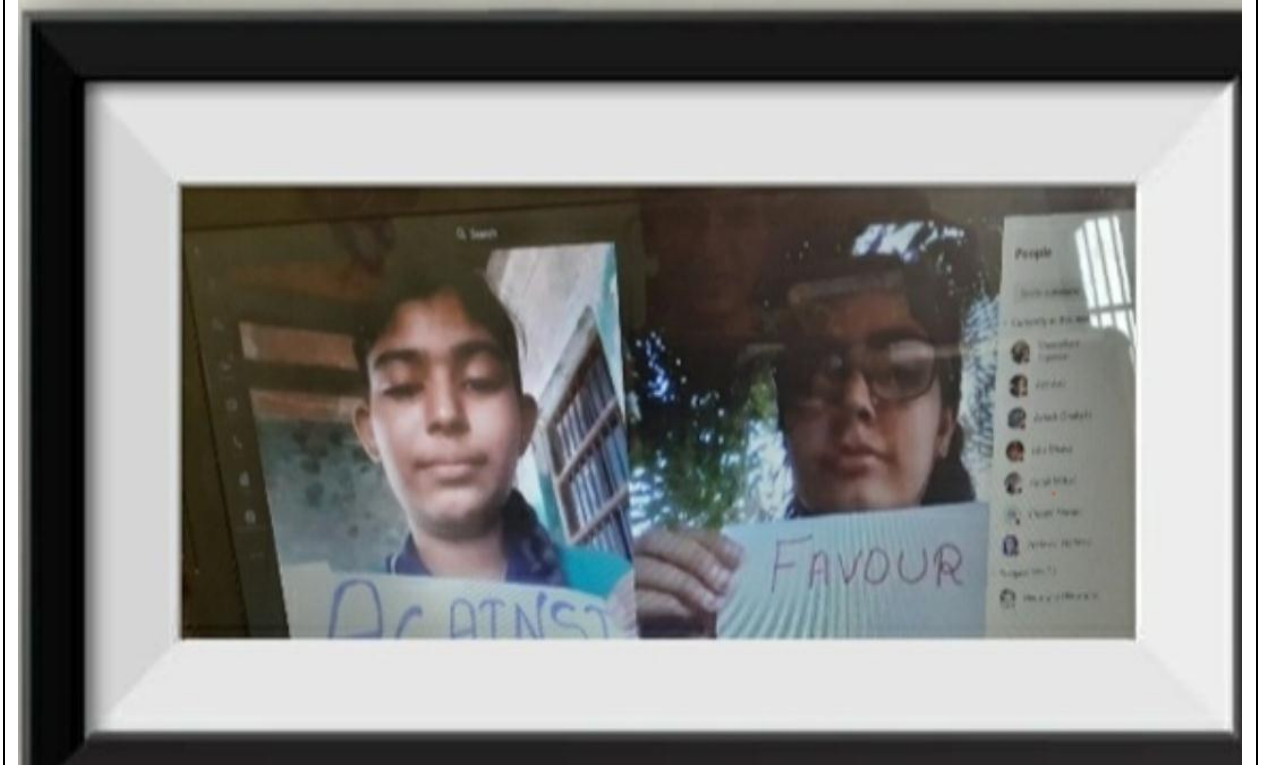

Q.6 i) $\frac{3}{7} \times 5\frac{1}{5}$
 $= \frac{3}{7} \times \frac{26}{5} = \frac{78}{5} = 15\frac{3}{5}$

ii) $9\frac{2}{3}$
 $= \frac{5}{8} \times \frac{29}{3} = \frac{145}{24} = 6\frac{1}{24}$

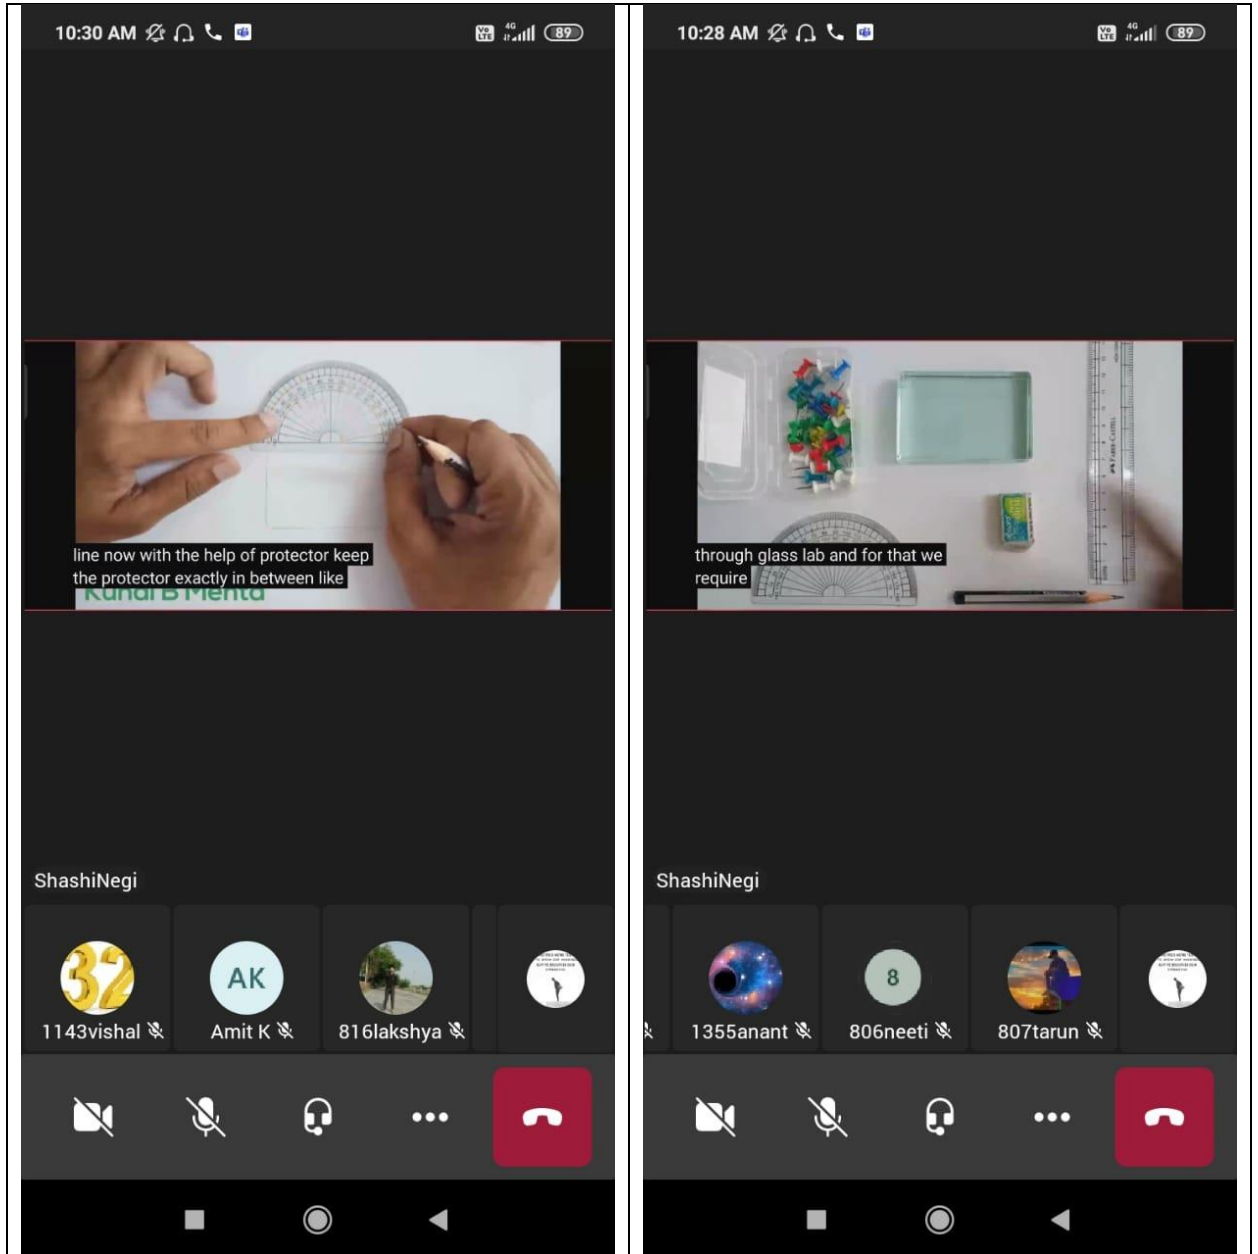

Q.7 b) i) $\frac{5}{8}$ of $3\frac{5}{6}$
 $= \frac{5}{8} \times \frac{23}{6} = \frac{115}{48} = 2\frac{19}{48}$

ii) $9\frac{2}{3}$
 $= \frac{2}{5} \times \frac{28}{1} = 2\frac{1}{5}$

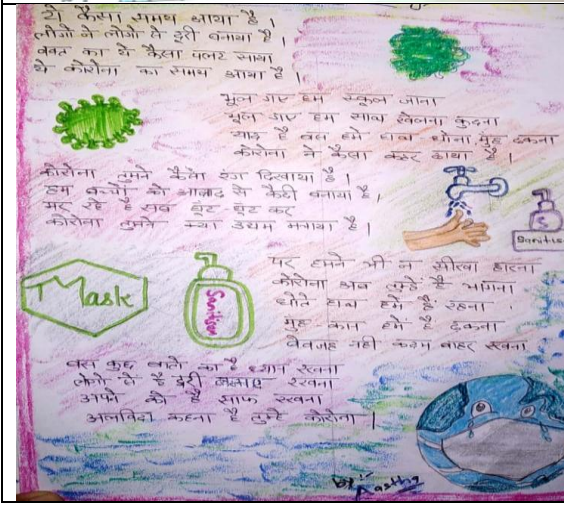

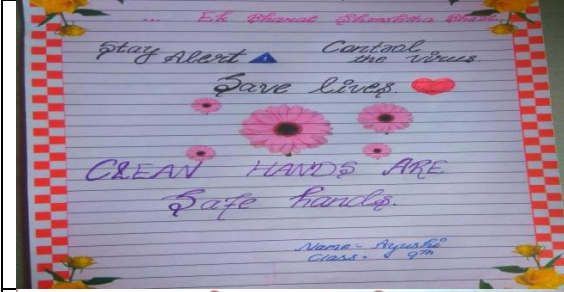

Q.8 Water in water bottle = 5L
 Vidya consumed = $\frac{2}{5}$ of 5L
 Kately consumed = $\frac{2}{5} \times \frac{28}{1} = 2\frac{1}{5}$ of water
